UACE2025 CONFERENCE & EXHIBITION

The Abstract: The Underwater Acoustics Conference and Exhibition 2025 (UACE2025), is the 8th of a well-established series of Conferences dedicated to underwater acoustics. The series was an initiative of the late Professors Leif Bjørnø and John .S. Papadakis. The conference covers all aspects of underwater acoustics and acoustical oceanography and it is a unique forum for exchange of recent research results, discussion of future challenges in implementation and application of underwater acoustic technologies, and for the presentation of the latest advances in relevant instrumentation.

Click "EDIT" to get to "SUBMISSION FORM" where you can revise your abstract/ paper and/or upload a full length paper.

You can alter the Abstract Title and the Abstract by simply editing the text in the corresponding fields. Please note that only slight adaptation is permitted. You can alter the texts in the remaining fields in the same way. Please proofread your text carefully before submitting. Abstracts and Full Papers will appear online exactly as submitted, i.e., no corrections, additions, revisions or deletions will be made by the Organising Committee. FULL PAPERS will be included in the Conference Proceedings and in the online database on the UACE2025 site.

To upload a full paper, click on the “upload” button in order to browse your computer. Locate the file to be uploaded and click “Open”. Papers (in pdf format) should be prepared according to the template provided in the Authors Area. Papers that exceed ten (10) pages or 5MByte will not be accepted for publication.

PAPER UPLOAD

Use the upload button below, to browse for the paper (in pdf format) on your computer. Full paper submission is not mandatory, but only FULL PAPERS will be included in the Conference Proceedings and in the online database on this site

▲ If you want to upload a revised version of your Paper, please make sure you mark (tick) for deletion any previous version, by ticking the box next to it.
